

Erasmus+

Reshaping the future of space education via multidisciplinary, inclusive, and sustainable learning and teaching activities

## Space Edu

### Session 3: Programme agenda 2023

Kick-off meeting  
Feb 24, 2023

ARISTOTLE  
UNIVERSITY OF  
THESSALONIKI

# Agenda 2023

- 1. Kick-off Meeting (Thessaloniki)**
- 2. Progress Report**
- 3. Summer Course**
- 4. Multiplier Event**
- 5. 1<sup>st</sup> Transnational Meeting (Napoli)**
- 6. Interim Report**

# Progress report

## **What will be needed from you**

- Moments from Kick-off meeting.
- At least 1 (one) presentation - course material (Project Result 1).
- Project team members (for website) with a pic and a short bio.

## **When will be needed**

- Until March 15, 2023.

# Summer course “Space and Technology 4All”<sup>+</sup>

- When

July 3-7, 2023

- Where

Aristotle University Research Dissemination  
Centre

# Learning, Training Activities

## Summer Course on Space and Technology 4All

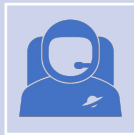

Country of venue: Greece

Participating Organizations: UNINA, UKIM, INRAE

Duration: 08-2023 – 08-2023 (4 days – 3-7 July 2023)

The proposed summer course on "Space and Technology 4All" is suitable for senior undergraduate and graduate students.

The program aims to provide advanced techniques of space engineering and understanding the core physics principles related to space exploration. Space industry problems are also considered during the program in addition to technology and legal topics.

The speakers will be academics from the cooperation partnership partners, such as AUTH, UNINA and UKIM and other universities and research organizations such as INRAE, as well as operators in the field of space industries and institutions.

# Activity details

The Leading Partner in cooperation with Contributing Partners will prepare a series of lectures in each field of study that will be designed primarily for undergraduates and young graduates.

There will be separate preliminary tasks for each contributing partner with a define timeline and progress monitoring.

Core lectures will be prepared for the course.

The Leading Partner will prepare the syllabuses in cooperation with UNINA, UKIM, and INRAE.

The Contributing Partners will prepare parallel workshops, in order to help learner to develop their communication skills and come closer with students with different cultures and background from all over Europe.

Contributing Partners will prepare the panel, the travel and accommodation of participants and lecturers etc.

# Summary of Groups of Participants

Sending organization	Type of participants	No. of accompanying persons	Travel days	Grant
INRAE	10 learners	1	5	320 € Travel 290 € Accom.
	2 staff			320 € Travel 530 € Accom.
UKIM	10 learners	1	5	210 € Travel 290 € Accom.
	2 staff			210 € Travel 530 € Accom.
UNINA	10 learners	1	5	320 € Travel 290 € Accom.
	2 staff			320 € Travel 530 € Accom.

# Criteria of selecting students

---

they must have a strong interest in developing competences and skills on space science and share experiences on the project;

---

they must have an interest in discovering experiences and points of view of individual coming from other Erasmus countries; and,

---

they must have the possibility to support the network with their career.

# Multiplier event

- When  
3 or 7 July 2023
- Where  
Aristotle University  
Research Dissemination  
Centre
- Back to back event

# Multiplier event

Organization of an International conference on Space and Technology for undergraduate students in Thessaloniki

Undergraduate students from different countries will actively participate in the conference organization with the aid of senior researchers

Local participants 45, Grant p.p. 100 €

Foreign participants 30, Grant p.p. 200 €

Virtual participants 85, Grant p.p. 15 €

*Grant support for multiplier events can only be asked for if the project intends to produce substantial project results*

Project leader: AUTH

Participating Organizations: UNINA, UKIM, INRAE

Duration: 05-05-2022 – 08-05-2022

# 1<sup>st</sup> Transnational meeting (Napoli)

- When

Until the end of  
September 2023

- Where

Napoli (UNINA)

AUTH 2 participants 575 € per participant

UKIM 2 participants 575 € p.p.

INRAE 2 participants 575 € p.p.

Interim report (end of  
October 2023)

Thank you!
